Dear Mrs. Manley:

This will acknowledge your letter of March 2nd.

Please be advised that I am holding May 7, 8, 18, 24, 30, June 1, 7, 15, 25, and July 4th for you until you advise me which of those dates you will plan to play in Trenton after your meeting in Baltimore March 12th.

I think you should know that George Victory of Philadelphia wants his colored club to be known as the Trenton Black Giants and wants to play in Trenton two or three times a week when possible. I do not know Mr. Victory well, but you can understand that I would be interested in having Trenton represented in colored baseball as well as being interested in the steady park rental that would accrue from such a project.

However the relationship between the Trenton Club and the Newark Eagles has been so pleasant for a period of years that I cannot possibly countenance refusing you any request you may make for Dunn Field and want to assure you that you will receive the best cooperation possible from me.

I understand that a movement is on foot for the republican county candidates to publish our season schedule and will have definite word on that by the time I hear from you after your meeting on March 12th.

This was supposed to be the end of your letter, but I have just come across a letter to me from you dated February 26th, which through some error I had not seen before. In it you enclose a list of dates you are scheduled in Newark and request to play in Trenton the Saturday previous to each date. However, I am going to consider your March 2nd letter as your latter decision of dates requested, which I have answered above.

About the night and afternoon game situation, want to say that all our games will be nights, even Sunday, and we open our season on May 1st in Trenton with a night game.

The dozen bats cost us \$2.00 apiece, therefore, \$24.00 will be satisfactory for payment whenever it is convenient for you. It is not necessary to send a check unless you want to; we can include it in the settlement for the first game you play here.

Sincere good wishes.

Yours very truly,

Wm. B. McKechnie, Jr.
